

# SALUD PARA TODOS 2018

## XIV Feria Internacional

23 al 27 de abril de 2018  
PABEXPO. La Habana. Cuba

### ***Call to the Foreign Investment Forum to be held within the 14<sup>th</sup> "Health for All" Fair 2018***

*Dear Sir / Madam,*

*The 14<sup>th</sup> "Health for All" Trade Fair, to be held from 23-27 April 2018 at Pabexpo Fair Center, will host Cuban health exhibitors, purchasers and specialists in a broad, varied international trade exhibit, creating a favorable business climate based on enterprise meetings, seminars, lectures, launching of catalogs, services from Cuban Medical Services Inc., and Biocubafarma products in keeping with the investment policies for the sector.*

*In this edition of "Health for All" we propose to hold the First Foreign Investment Forum in joint coordination with Biocubafarma, an excellent environment to keep on sharing ideas and exchange views about the challenges lying ahead of us in the field of attraction of foreign capital and the building of collaboration and co-development alliances for the sector.*

*The Forum is mainly intended for pharmaceutical and biotechnological enterprises, investment and risk capital funds, institutions specializing in Research + Development, medical and diagnostic devices enterprises, and health services institutions, among others.*

*We assure you interesting, fruitful work sessions and unforgettable moments during your stay in Cuba.*

*Looking forward to your attendance at the Fair,*

*Roberto Morales Ojeda, MD*

*Minister of Public Health*

*President of the Organizing Committee*
